MEMORANDUM FOR: General Wilson

SUBJECT : Action Plan Task Group Papers

1. Enclosed are four Action Plan Task Group papers for your approval.

a. [redacted]

[redacted] [This is Sensitive Issues paper No. 4. The draft expands upon material provided by DDS&T with additional information obtained from CLC. It will be available for task group review this afternoon.]

b. [redacted]

[redacted] [This is Sensitive Issues paper No. 11. You passed a burn copy of this to the DCI at his 1730 staff meeting on 3 November. It has not been seen by the task group. Upon your signature, it will be reproduced for distribution to the group today for comment and/or approval.]

c. [redacted]

[redacted] [This is Sensitive Issues paper No. 13. A copy went to the DCI on 30 October, but the final paragraph, "Recommendations" was redrafted as a result of the task group meeting of 31 October.]

d. Telling the Intelligence Story Better. [This is Issues and Answers paper No. 8. A copy went to the DCI on 30 October, but it has been amended somewhat on the basis of the task group discussion of 31 October.]

2. Two additional papers are now in the typewriters.

a. Production of National and Other Intelligence Estimates. [This is Issues and Answers paper No. 5. It combines an input from [] with one from George Carver. It is ready to go to the DCI upon your approval.]

b. How Can Congressional Need for Substantive Foreign Intelligence Best be Accommodated. [This is Issues and Answers paper No. 7. It was prepared by Dick Lehman and reformatted in ICS. The task group already has recommended that this paper go forward to the DCI.]
